A view of the Oxford Paper Mill as it is seen when one enters Rumford on Route 108. In the foreground is the canal and one of the many giant wood piles. The Oxford Paper Company has made Rumford one of the most progressive towns in the State of Maine.

*... to the industry that gives life to our town,*

The winners of the 1954 Oxford Paper Company Scholarship with their parents and mill officials. This four year scholarship is awarded to two senior boys from either Rumford or Mexico, to pursue the study of engineering, as related to the manufacture of pulp and paper, at the U. of M. in the College of Technology.

Seated: Mrs. Joseph Zale, Mrs. Lawrence Peakes.

Standing: John Zale, Mr. Joseph Zale, Mr. Theodore Spear, Vice-President; Mr. Walter Holland, Mill Manager; David Peakes, Mr. Lawrence Peakes.

The Androscoggin River at its climax plunges 180 feet, furnishing power for Rumford and surrounding territories.

The "Island" or shopping district for Rumford is located on an island between the Androscoggin River and the mill canal. The town of Rumford, nestled in the heart of the Oxford Hills, is a shopping center for many surrounding villages. Progressive merchants are expanding along Congress Street which is pictured here. In the foreground may be seen the façade of the Mechanics Institute Building, a community center sponsored by the Oxford Paper Company.

## *Student Council*

"We, the students of Stephens High School, recognizing the necessity of an organization that can speak for the student body as a whole, and maintain the ideals, elevate the standards, and develop the strength of this school through student cooperation with the faculty, do hereby establish this constitution for such organization."

*Constitution of Stephens High School Student Association.*

The Student Council provided active leadership during the school year under the sponsorship of Mr. Dana Simmons, principal. Within the framework of its stated purpose, the Council has attended to the usual authorization of all school dances; it has sponsored class elections; it has directed publication of a new and better Student Handbook. Too, the Student Council has sponsored the annual Freshman Reception, determined the high point awards, and participated in the joint teacher-pupil selections of paid assemblies.

Elaine Pensiero, William Ferguson, Mary Anne Melanson, Margaret Mooney, Melvin Bowie, Carol Stearns, Janice Soule, Wilder Abbott, and Anne Martin attended the State Stu-

dent Council Convention in Augusta. This convention stressed the need for closer relationship of the Student Council with student body and with faculty. To effect this at Stephens, the Council has invited the various class officers to their meetings.

The specific project of the Council this year was to reactivate school clubs that had not been functioning and to stimulate interest and participation in organized clubs. The Charity Drive under Council guidance was another successful project.

We pay tribute to our representatives in the student government of Stephens High—our hard-laboring, forward-looking Student Council representatives.

# Library Club

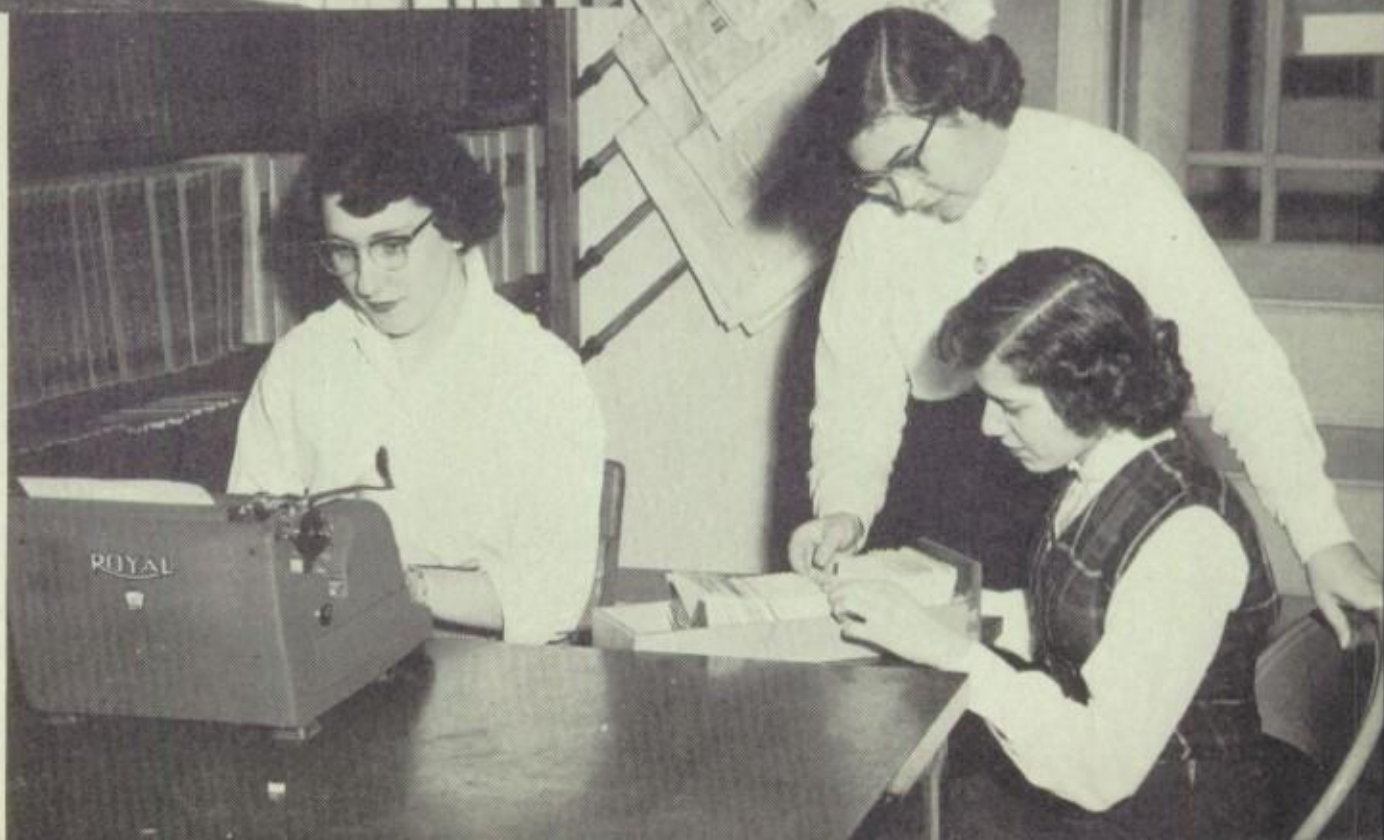

The Rumford School Department has purchased over 500 new books this year for the Stephens library. This addition means that our school library contains nearly 4,000 books. A wealth of magazines and newspapers is also available for the students at Stephens as subscription is made to 68 magazines, three daily newspapers, one weekly newspaper, and the *Sunday New York Times*. Reference books are unusually complete for a high school library with subscriptions to *Current Biography*, the *Abridged Readers' Guide*, and other current source material supplementary to the standard reference works.

The physical facilities of the library have been improved this year. Peg board has been mounted and hung in rooms 113 and 114 and metal racks for magazines have been provided. A newspaper rack has been purchased and installed. Sub-libraries, catalogued in the main library, have been set up in several departments to facilitate classroom use of reference material.

Our school library is one of the best in the state. We pay tribute to Mrs. Minerva Anderson whose tireless efforts and devotion have made this possible, and to her staff of library assistants whose hours of quiet toil are greatly appreciated by the students of Stephens High.

*The Broadcast* is a mimeographed newspaper published semi-monthly by the students of Stephens High School under the supervision of Mr. Reginald Chamberlain. The paper stresses news and current events of interest to the student body. This year a Lost and Found Department has been established; a teacher's page containing tidbits of faculty news has been inaugurated; and individual pages have been devoted to class news.

The Exchange Editor has had a busy year. *The Broadcast* has been sent to schools as far away as Texas and Idaho. In return, we at Stephens have had the opportunity to read interesting papers from these many far away schools.

Profits from sales of *The Broadcast* are used to expand the mechanical facilities of the Commercial Department. A mimeograph machine has been purchased this year.

We of the *Tribute* staff pay tribute to our sister organization, *The Broadcast*, which in bringing timely news to the student body, serves to bolster school spirit and student morale.

## *The Stephens*

Mr. Gagliuso, conductor and director of the Stephens High School Band, swept his files over the football field at half time this year with flashy marching drills ranging from "Hokey Pokey" to "The Man Upstairs." The many hours of after school drilling showed in the precision with which these snappy drills were executed.

In addition to marching at football games in the fall, the band has supplied musical entertainment at all assembly programs. It has added pep to the many football and basketball rallies.

The band also participated as a guest in a joint concert at Dexter High on March 20. This followed a joint concert held last year in Rumford when the Dexter High Band was guest of Stephens! Westbrook was invited to Rumford for a similar exchange concert on March 26.

The band took part in the Western Maine Music Festival held in May at Sanford. The annual town concert presented by all the musical organizations of the Rumford schools was a high spot of the spring term.

The Rumford Music Boosters, an organization of townspeople interested in the music program of the Rumford schools, aids in sponsoring many of the band's activities. They participated in fund-raising drives and gave support to band activities.

Donald Rand of the sophomore class, and Donald Young of the freshman, have efficiently served as band managers.

## *The Stephens*

We pay tribute to a group of students who represent the best in cooperative effort. The Stephens Glee Club, under the spirited direction of Mrs. Marion Murphy, is one of the finest musical groups of its kind in the state.

The glee club sang at the tri-state drive-in conference of school superintendents held at Bethel, February 7, under the auspices of the American Association of School Administrators. The girls sang for the Maine Division Council of Catholic Women at their regional meeting in Mexico. They also delivered selections at the Long Service Award Banquet sponsored by the Oxford Paper Mill.

Traditional carols were sung at the Christmas

assembly by the glee club. Members of the club provided background music for the National Education Week assembly, presented by members of Mrs. Warner's speech classes.

The annual Spring Concert was a highlight of the musical season. In May, the glee club attended the Western Maine Music Festival held at Sanford.

Eleven girls represented Stephens at the All-State Chorus held in Portland. These representatives were Carol Breton, Shirley Clifford, Edwina Clohosey, Marilyn Garrett, Myrna Gallant, Phyllis Johnston, Emmy Lou Perry, Sally Stearns, Gloria Stanzilis, Villa Thurston, and June LeClair.

Standing: Real Roy, Mrs. Kealiher, Philomene Royal, Gay Kimball.  
Seated: Larry Barrett, David Eldridge, Dorothy Young, Robert Grant.

Under the skillful direction of Mrs. Pauline Kealiher, the Debate Club has been very active this year. On November 12, the debating team went to Bates for two discussions on tariff. At Bates they also took in a mock debate between Bowdoin and Bates.

The annual Bowdoin debate was held in December. Real Roy, Dorothy Young, Robert Grant, and David Eldridge represented Stephens High. Robert Grant received an honorable mention in his group.

Many of the team had the opportunity to see an Oxford-Bates debate at Lewiston. British wit was thoroughly enjoyed.

Next on the schedule was a South Portland practice debate, February 19. Real Roy and Dorothy Young, with Larry Barrett alternating, were the affirmative speakers, while Robert Grant and Gay Kimball brought forth the case for the negative. The subject debated concerned tariffs. The team won three out of four debates.

The climax of the year was the Bates debate scheduled the last week of March.

Vienneau were sent to the annual regional science fair at Gould Academy on March 19. D. Eldridge, R. Marcellino, and C. Mooney were sent to the state science fair, April 2.

## *S. P. Q. R.* *Latin Club*

We pay tribute to Miss Julia Murphy, able sponsor of the Latin Club, for her vigorous efforts on the behalf of the students of Stephens.

Initiation of twenty-eight members into the S. P. Q. R. Latin Club was unusually interesting this year. Each prospective member brought an object which corresponded to a Latin noun. Unique and clever articles filled the receptacle in the Latin room.

An elaborate banquet was prepared by the Dorcas Society of Virginia for the initiation ceremonies on February 17. Forty-eight members competed in games of mental skills; forfeits were demanded of the unsuccessful. The Latin Club auction to which all Sophomores and Freshmen contributed defrayed the expenses of the banquet.

The study of mythology will again be the theme of Latin Club meetings.

A comprehensive story of the club, its origin, activities, accomplishments and aims is being prepared for publication.

Under the direction of Coach Hudson Brennick, the Stephens High Ski Team made an outstanding showing this year. This young, hard-working team faced the top high school ski teams in New England.

The Stephens Winter Carnival saw Roderick second in cross country; Gagnon first in downhill and jumping; and Broomhall, first in cross country.

Stephens placed fourth in the State Meet out of a field of ten.

On February 22, Lee Boyle, Bill Ferguson, Phil Broomhall and Bobby Roderick won high honors in the Eastern Championship Meet in Salisbury, Connecticut.

On March 5, Lee Boyle and Bill Ferguson came in first and second respectively, in cross country in the annual Junior State Ski Championship.

On March 6, Phil Broomhall tied for first in cross country in the National Junior Ski Championships at Whitefish, Montana.

## *Intermural Basketball*

Many girls have the opportunity to participate in intermural basketball at Stephens. This activity is under the direction of Mrs. Rose Boudreau who has initiated a girls' physical education program this year.

Congratulations go to the seniors who, under the management of Janice Smith, rode through the tournament undefeated to clinch the title for the third straight year. The seniors only tied the faculty in the senior-faculty game, however. Rose House captained the team.

The juniors were few in number indeed. Only seven girls turned out to struggle through a rugged season. They were defeated by the sophomores. The juniors were captained by Emmy Lou Perry and managed by Cecile Boivin.

The sophomores and freshmen were managed by Jeanine Gauthier. Frances Labonte captained the sophomore team while Joan Arnold captained the freshmen. The freshmen did an outstanding job for their first year.

The tournament pairings provided that each class team played each opponent twice. Twelve games were played in all. Mrs. Boudreau refereed all games. Louise Collette was timekeeper.

Seated: Mr. Jasper Foster, Carolyn Delano, MaryAnn Melanson, Anne Martin.  
 Standing: William Ferguson, Mr. John Dickson, Olga Kushner, Mr. Dana Simmons, Edward Bishop.

## *A. A. Council*

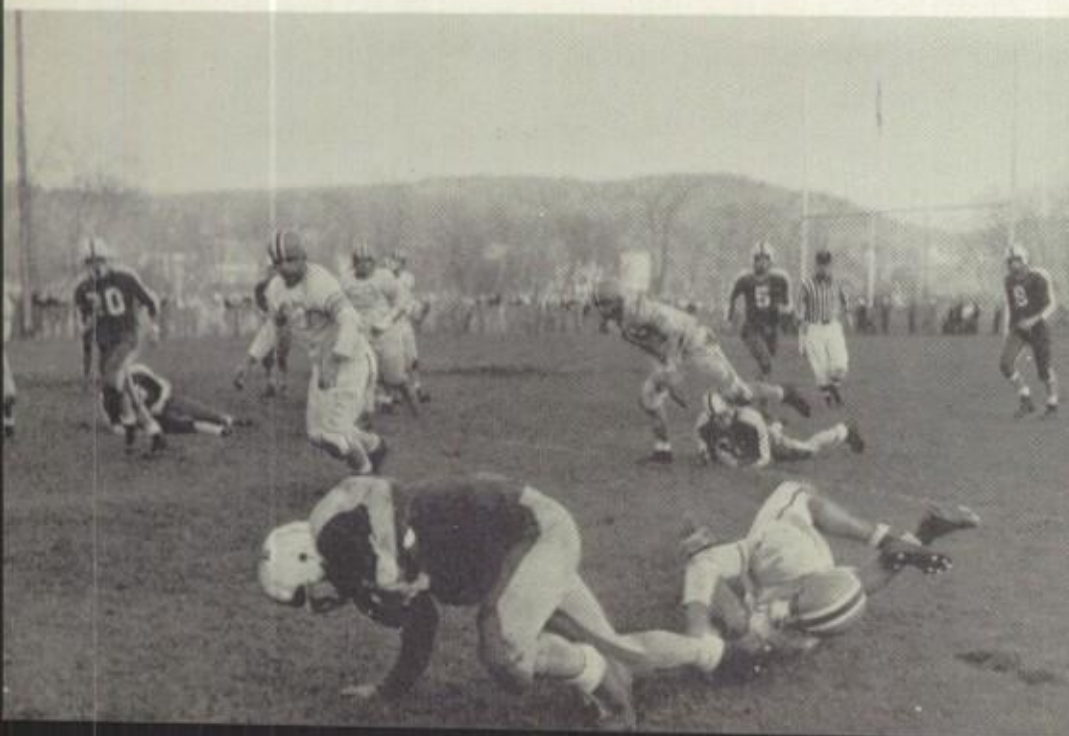

The Athletic Association is a group made up of nine members: the principal, the faculty manager, the athletic director, four officers and two class representatives. The Council authorizes the handling of money for various sports, sanctions letter awards and is instrumental in the formation of certain athletic procedures.

This year has been largely spent in revising the Constitution to bring it up to date.

The officers are president, Anne Martin; vice president, Edward Bishop; secretary, Carolyn Delano; treasurer, Olga Kushner; class representatives, Mary Ann Melanson and William Ferguson; and sponsors, Mr. Simmons, Mr. Foster and Mr. Dickson.

We pay tribute to this efficient council which facilitates the success of our athletic program.

Down the field!

Get it, Joe!

Seated: Joanne Henry, Teddy Orino, Mr. Lyman Holman, Alice Freeman, Joan Watson.  
 Standing: Roger McLeod, Larry Harlow, Alice Fuller.
